Dear Customer Service Team,

I am writing to request a refund for a product I purchased from EcoElectronics Inc. I bought the GreenGadget Solar Charger, transaction number GG12345, on April 10, 2024, from your online store. Unfortunately, I encountered a problem: the charger fails to power up and does not charge any devices.

This issue renders the GreenGadget Solar Charger unusable as it cannot fulfill its primary function of charging electronic devices. I have attached photos showing the charger's failure to power up, along with a copy of the receipt.

Given the nature of the issue, I am seeking a full refund of \$59.99. I believe this is a fair request, considering the product's inability to function as advertised.

I have included a copy of my purchase receipt as proof of purchase. I trust EcoElectronics Inc. will honor its commitment to customer satisfaction and process this refund promptly.

Thank you for your attention to this matter. I look forward to your prompt response and resolution.

Sincerely,

Samantha Lee
