Beginning with the New Year Day, which means there will be celebrations all across the world of welcoming the year. The sights, carnivals and the spirit of welcoming the year is unforgettable in Sri

Lanka. After January the first half of the year does not bring any special public holiday, which means that you will be having the usual holidays to plan your trips or any other leisure activity. So, it is better that you plan your trip around the New Year, which will bring more chances of spending time with your loved ones. After January, you will have no scope of having public holidays till April.
