

Sample Letter of Intent to Purchase

Company Name: ABC Private Limited

Address: 9668 Winchester Street

Owensboro, KY 42301

City: Owensboro

State: Kentucky

Subject: Letter of Intent to Purchase

Purchase Proposal: We take this opportunity to establish the intention to purchase for the software product from your organization The Tag Tech Private Limited, Arizona. The principal business activities include the purchase, updating existing software products, installing software manual distribution and complete support to run them successfully.

Our management systems are indeed looking for upgrade in the software as our customer has rapidly grown in the past two years. We at ABC Private Limited are intended to purchase the new DSS, ForgeNet and MI5 from your company as this will help us to furnish the datasheets.

We understand that this letter of intent will provide the required framework for the transactions as follows

Product: DSS, ForgeNet, MI5

Total Quantity: for 75 systems

Origin of the Good: Arizona

Destination Port: Kentucky Air Service

Payment Method: 70% of advance before the delivery

30% of the payment after installation

Delivery Terms: 30.07.2019

We look forward to working with the purchase proposal, that will benefit both the entities.

Sincerely

ABC Private Limited
