After the holidays, Term 2 begins on 27th April and ends in July. So,

this is comparatively a smaller term and easier one. The holidays that are scheduled in term are also smaller. Holidays begin on 4th July and ends on 19 July. So, a small trip can be planned in this term where you would also need space for your child to come back and get ready to join back the school.

The term 3 begins after that on 20th July and ends on 25th September. Now this is a crucial term as after this only last term is left. So, let your child attend all the classes and learn everything to clear the term on a good note. The holidays begin on 26th September and ends on 11th October. So, whatever, you plan in these holidays keep in mind that after this only last term is left.
