

Gold's Gym Cancellation Letter

Dear Sir,

Subject – Termination of your gym membership

It is required for you to be informed about the termination of your membership at Apple Fitness Center with immediate effect.

This action has been initiated by the management due to repeated complaints about your misbehavior with the gym staff. You have also been accused of sexually harassing some of the female staff. In spite of repeated warnings issued to you by your trainers, you have refused to comply with our rules.

It is also noted that you have been paying your gym membership fees every month only after a week past the deadline. You have also been warned against this. But, they don't seem to have served the purpose.

Therefore, according to the rules of the gym, we require you to surrender your membership card by the end of this week and take back the caution deposit that you have paid to us while taking the membership.

Failure of compliance with these instructions may lead us to initiating legal action against you.

Any queries may be addressed to me directly.

Thank you,
Yours truly,
