Subject - Request for re-admission

Dear sir,

I am Ram, a second year engineering student of this college.

I have been dismissed from the college on 3rd April for having been part of a group of students ragging the first year students on 3rd. But, I was not in the college on the same day. You may verify my attendance records. I had travelled to another city for a workshop. The tickets of the same are attached for your reference.

Therefore, I humbly request you to cancel my dismissal

Thank you,

Yours truly,

Ram Sharma
