Subject - Request for admission

Dear sir,

I am Ram, an aspiring engineering student. I completed my Class 12th from St. Mary's School with an overall percentage of 97. I wish to join the Mechanical Engineering Bachelor's course in ABCIT. I also seek financial aid for the same.

I have been an academically sound candidate and I promise to complete the course.

I humbly request you to grant me admission in the college.

Thank you,

Yours truly,
Ram Sharma
