Dear Vielka Nielsen,

This is with reference to my application for renting out Flat 302, in your society. I got to know that I have been refused permission to rent out the flat as I have a pet. I am writing this letter to appeal to you for reconsidering your decision.

I have had my pet for 5 years now and there has been not a single complaint against either him or me in any previous society. I can assure you that the same will continue here as well if I am allowed to stay. Kindly reconsider your decision.

Thanks and Regards,

Yours Sincerely,
