Subject: A token of appreciation for guiding me throughout.

Dear Bryar Pitts,

I would like to extend a heartfelt thank you to you for being a guide and a mentor for me since the day I joined this prestigious enterprise. You have taught me many things, and these lessons helped me to achieve the brilliant levels of work in the last quarter. The way I presented myself in the conference held last week was also a result of the confidence which was instilled in me by you.

I hope that I keep up this good work in the days to come and help the organization achieve its ultimate goal.

Thank you.

Yours Sincerely,
(Signature)
Rahim Henderson
