

Goodbye Letter To My Ex Boyfriend

Dear ----,

I am still stuck at the moment when we first met at ----- (place name) on ----- (date). Our relation was the best part of ----- (school/university/workplace). All the places that we visited together during that time were great and filled with lots of love and care. But, not everything in life is meant to last forever. Some relations are left because of misunderstandings and lack of care and trust towards each other.

I would like to thank you for the time we spent and the memories we created together. I can still never have a bad thought or feeling about you. You were and will always be one of the best persons' I have met in life. I wish that you will have a great future ahead and we will always be a great memory for each other.

Yours Lovingly
