Dear Sir,

I had taken your well-known Health Insurance Policy, the reference ID of which is 3515482. I would like to bring to your notice that I want to cancel the referred policy from immediate effect. The payment of the insurance premium is to be stopped from immediate effect.

It's unlikely for me to pay any further amount of premium due to the uncertainties regarding my job. I would request to send me an immediate confirmation regarding this within 30 days of the writing of this letter and also refund any unused premium.

Thank You.

Yours sincerely,

Nilesh Das
