Dear Sir,

I, Imani Talley, am working as a Senior Sales Manager at Atcorp Info PVT LTD. I have written this letter to support Mr. Suresh Oswal's decision of becoming a citizen of your country. I have been close friends with Suresh from the last 5 years and we have also worked together for 4 years in the aforementioned company.

Suresh is a kind, polite and helpful person who is always ready to help his relatives and friends in times of their need. He is hardworking and sincere as well and I have adored his work ethics over the years. His friendly and caring nature makes him stand out from the rest. He has a lovely wife and two children and they are already a citizen of the United States since the last few years. However, he was not able to acquire citizenship due to his prior work commitment. Now he has completed all the formalities and wants to live with his loving wife and bright children. He has been patient throughout this period and I have felt that he is missing his family from quite some time now.

I think that it would be a great honor for him to be a citizen of this country and that he would never do something that would be a cause of concern or shame to anyone in his workplace and family. Kindly contact me if you require any further information from my end.

Sincerely,
