

Letter of Recommendation for Substitute Teacher

To the concerned person,

It is my pleasure to write this recommendation letter for (name of the person). He is an outstanding human being and a great teacher. He has worked in our school, {name of the school}, for seven years as a substitute teacher. I was his immediate supervisor-in-charge, and I must say; it was great working with him.

In my career of more than 15 years, I have rarely seen students responding to substitute teachers. However, to my surprise, Mr. {name of the candidate} was an exception. Owing to his teaching qualities and strong personality, students loved to attend his classes, and they did pay attention to him, as well.

Mr. {name of the person} used to go extra miles to make sure that his students get to learn properly. Although it wasn't his responsibility to make study plans, he did it wonderfully and implemented it properly too.

I feel great to endorse {name of the person} for the teaching position at your school. Wish him luck for his future endeavours.

Sincerely yours,

{Your Name}
