Salutation + Name of the recipient,

It gives me immense pleasure to write this letter of recommendation for Prof. {Name of the teacher/professor}. He/she has been teaching my daughter when she was in middle school. He/she is blessed with out-of-the-work teaching capabilities that allows the students to learn new things quickly and easily. In addition to that, his/her outstanding student mentoring qualities and watchfulness to every student has made me write this letter of recommendation for him. I was more than happy to hear that {Salutation + Name of the Teacher} has applied for the post of a {Designation} at your dignified institution.

To my surprise, the grades of my daughter improved significantly after {Salutation + Name of the Teacher} joined the school. He/she is a dedicated, kind and caring human being who knows how to shape the kids for a better future.

I wish him/her best of luck for the years to come. If you have more queries, you can get in touch with me on my contact number or pay a visit to my home.

Thanking you.

Your Sincerely,
