Dear Sir/Madam,

I, Suvneet Kaur, am working as an associate engineer in Terma Engineering & PVT LTD from the past three years. I had completed my Bachelor Degree in Engineering in 2015 and have also completed a diploma course in IT & Management.

I am writing this letter to apply for the Master of Engineering course you are offering in your reputed college. I have experience in managing automation systems and have also worked in the electrical department in my office. Your esteemed college is renowned for its experienced teachers and support staff, which inspires me to gain knowledge and experience in your college.

Thanks for going through my application.

Regards,
