

Apology Letter for Hurting Someone

Dear XYZ [write name of the friend you hurt]

How are you doing? How is the preparation of the wedding going on? I hope everything going great and hope this will be the happiest day of your life too.

I am actually writing this letter as I am not there with you on your bestday. I understand that you have been waiting for this day since such a long time and you don't have one your best friend around. I am really sorry. I told you that your wedding and my graduation day is on the sameday. In fact, I would have skipped my graduation but as I topped the department I am announced with the Chancellor Medal and University has requested me to be present at all cost. I am stuck in two very important opportunities and I can't make it to both.

I am sorry that chose my graduation over your wedding and I hope that you would understand my reason. I am really sorry dear and I apologize from the bottom of my heart. Please accept my apology and forgive me as I hurt you.

I promise to meet you very soon and I will come to see you at your new home. I make a promise. I wish you a very happy wedding life ahead and sending you my wishes and blessings for happiness in your life.

With lots of love,

Yours
