

# Apology Letter to Boyfriend for Hurting Him

Dear Jim [Boyfriend's Name]

I am writing this letter to apologize to you for hurting you. I am really sorry that I forgot about our anniversary and stayed busy for the whole day at work. I had no idea that you planned such a beautiful evening and kept calling me to at least meet for a while. I am an idiot, Jim. How can I be so selfish?! I just couldn't realize how much I have been missing for such a long.

I am really very sorry. I hope we could sort it out and make it up soon. Please give me a call or at least pick mine. I am genuinely very sorry honey.

Please forgive. I am waiting to hear from you.

I love you too. Also, I am missing you a lot.

Yours,

Dia, an idiot.
