Dear Mom and Dad,
I ----- (mention your name) being your pampered child has been loved by both of you. Since, childhood, you both have your world to me. I can only remember all the happy moments we all had spent together. Not only you are my parents, but also you are my friend, teacher and everything. So, I just wanted to say that I would never do anything that could hurt you in any way. I would never try to hurt you intentionally. But, I know that my recent behavior has upset you. But I just wanted to let you know that happened because ----- (mention the reason in detail). I was ----- (mention why that happened). I would request you both to just forgive me this time and I promise you both that I will never repeat this again in life. I love you both from the bottom of my heart and you are the best parents in the world.

Yours dearly,
