Subject - Request for Increment

Dear Iris Watson,

As you may be aware, I have been working in this Institution from the past five years and have been responsible for the smooth running of the Chemistry department. I have also been rated very well by the students. I request for an increase in my salary for the services I render to this organization. This increase will boost my enthusiasm and will help me to work better. Hope this request will be considered.

Thank you,
