

# Appreciation Letter to a Friend

Dear Dinesh,

I know that we are not meeting often these days as we both are busy in our lives and work. However, I have always considered you to be my best friend and want to thank you for being in all my ups and downs.

I still remember our teenage days when we used to travel to random places without any specific purpose or reason. I often used to land in trouble by picking up a fight with random people but you were always there to explain my faults. Also, you gave me the required support and a helping hand at times when I needed them the most and today I want to thank you for being such a nice friend to me.

I have enclosed a small gift along with this letter and hope that you like my choice. Also, we must meet soon to celebrate the special friendship and bond that we share.

Yours,  
Anup N.
