Dear Remedios Hester,

Last week I had been to a movie theatre with my family. Your son who is supposedly a minor was in the theatre with his friends and they tried to misbehave with my daughter. When I intervened your son hit a punch that landed straight on my nose.

I was left bleeding and your son rushed from the place along with the friends before cops arrived to look into the matter. I had to rest in my house for three days as a precaution to avoid further damage to my nose. In this ordeal, I suffered a loss of \$500 per day which are my daily wages.

I request you to look into this matter and settle the amount of \$1500 for hitting me and \$5000 for misbehaving with me and any family. If the amount is not settled within 7 days after you receive the letter, I shall take legal help to resolve this issue.

For any more clarifications on the matter, you can always contact me.

Yours truly,

Jasper Carney
