

MARKETING PROPOSAL LETTER

Dear Mr. Mishra,

I, Anidnya Sen, am writing this letter on behalf of a Small world Marketing agency that is based in Illinois. We have been in the marketing industry since 2001 and till date, we have worked with numerous national and international companies and groups.

We have learned that your company is looking to setup a food festival in the city and require someone to design banner hoardings for it. I would like to inform you that we are excel in designing and creating banner hoardings of different sizes according to the requirements of our clients. I have attached the photos of some of our previous works and you will also find our rate card in them.

I'm writing this letter to send our business proposal to you and would appreciate a prompt response from your end. Thanks for your time and consideration.

Regards,
Anindya Sen
