Subject: Offer for buying your apartment.

Dear Malcolm Long,

This letter is in reference to your advertisement in the local newspaper. The 3 Bedroom Flat in the locality is quite appealing and I would love to reside in that locality because of it being a little far from the city. This makes it free from the hustle and bustle and brings a factor of calmness to it.

The price that you have quoted is pretty reasonable but I would like some room for negotiation. I hope you consider my offer and we can work out on a deal.

Thank you.

Yours sincerely,
