Dear Theodore Lowe,

I, Sam Powell, am working as a Jr. Atomic Scientist in your reputed Bhasha Atomic center. A few of my colleagues and I are planning to start preliminary research on the basic structure of the neutrons.

We assure you that the project will be conducted in a clean manner under the guidance of all our senior scientists. Therefore, I request you to grant us permission for the same. Thank you for your valuable time and consideration.

Yours sincerely,  
Theodore Lowe
