Dear Sir/ Ma'am,

Greetings!

I am writing this email to you as I have found a notification regarding an upcoming interview drive you have arranged for B.Tech students of our university. I am absolutely sure that getting an opportunity from your prestigious company can give a very good start for our students. I am sure that they are eagerly looking forward to appearing for it.

I appreciate your initiative and thanking you on the behalf of our University and students for arranging this interview here.

Thank you so much.
