Dear Marsalis Taritt,

Hope you are doing great!

It's been a pleasure to connect with you and in association with you. Every time we work with you it becomes a great pleasure for us and also there are many things that we learn from each other. Since we have started working on the project together from ----- (mention the years), we would like to mention that on all the projects we have worked together there has been great satisfaction and support from everyone in the team.

The projects we have been working on are ----- (mention the projects name). All the projects have been completed successfully and clients have also appreciated the amount of work that we have been doing for everyone.

Though the process was not easy, so we would like to thank you for your support and cooperation throughout the process. We look forward to a great association with you in the future.

Thank you for your support and cooperation.

Yours sincerely,
