Dear Hawillow Wanto,

Hi! Hope you are doing great.

I am writing this letter to you as a token of thanks and appreciation for being with me during the most difficult and painful time of my -----  
-- (mention the phase of life). I would like to thank you for offering me your valuable support in life when you needed it the most. I can also say that without your support and help, I could not have come out of the situation without your help and support.

Your help proved to be an added advantage in this phase of life and the suggestions and advice you have helped me a lot in overcoming all the problems and I am out of all that because of the support I got from you. I would like to send my gratitude and appreciation for helping me out in the most difficult time of life.

Yours truly,
