Dear Sonya Jordan,

Hi! Hope you are doing great!

I Harrison Mcguire am writing this letter to you to thank you for being there for me. Our relationship started in ----- (mention the year) and since then we have been together in any situation of life. Be it partying, working or fighting, we both have done it together and have seen many different phases of life. I cannot imagine a single day without you because it just feels and seems incomplete. Through this letter, I just wanted to thank you for being an important part of my life and being there with me in every moment.

So, I would like to thank you for being the best boyfriend in the world and being someone I can trust in all situations of life. I also hope that our relationships continues to grow and evolve into a mature one and the one that can last a lifetime.

Once again, thank you for coming in my life.

Yours lovingly,
Harrison Mcguire
