Dear Ivor Delgado,

I am writing today to thank you for educating me the right out of wrong. You have been the constant guidance for me since these many years. Thank you for your unconditional love for me. You teach me what actually love is. You always come up with something I usually look for when I am stressed or nervous. Thank you for your random messages. If I have a bad day, you are the first person to come in mind to talk to. Thank you for being so true always. You are my biggest strength, mom. Also, thank you for being my critique too. Your selfless love amazes me. Thank you for always being so strong. You are my world. Thank you for being the glue to our family. Love you a lot.

Yours,
