Subject: Thank you for recruiting me, sir.

Dear Sir,

Greetings! [Write good morning, good afternoon, etc.]

I am very fortunate that I get recruited by you. I have received an email this morning from your end that I got selected for the 'Research Associate' position in your company. I can't be more thrilled, sir. Thank you so much, sir, for interviewing me and for providing me with this opportunity. I will give my best and will work at my best. Thanks a lot, Sir.

I shall be joining the 'Cloning department' from 7th August onwards as informed. I am very excited to be there.

Thank you, Sir.

Regards,  
Jack.
