Dear Aaron Hawkins,

This is to state that I am extremely grateful that you have considered my potential for the upcoming internship interview. I can't explain enough how I always look forward to work in your company. The ideas and format the company follows in the work aspect has always fascinated me and encouraged me to work for such an organization. I am glad that I am getting a chance to evaluate myself as an intern in this company and I am really hoping to work here. Looking forward to some positive results.

Thank you.

Sincerely,  
(Your Signature)
