

Thank you Letter for Business Partnership

Dear Mr. Sunil Sharma,

I am extremely happy that you have considered my proposal of working in the new upcoming project together and I will take this opportunity to thank you for accepting it. To be very honest, Tulip is my dream business model and I am glad that I have got the chance to work with an experienced and wise business person like you. I really think both of us know already what we are trying to do here and enough knowledgeable to make the project successful.

I hope this partnership reaches new heights and together we can defeat any kind of obstacles.

Thank you once again for relying on my potential. I promise you will never get a chance to regret the decision of yours.

Thank you.

Sincerely ,

Nancy Duff
