Dear ABC manager,

As a recent graduate of ABC University with a bachelors' degree in finance, I am eager to launch my career in banking services. I have done an internship in investment banking and working with your team will provide me an excellent opportunity to develop my existing skills and knowledge. During my college internships, I dealt with a variety of budget and financial report research projects that have made me confident in my skills and succeed in a competitive environment.

I have enclosed my resume for your review and thanks for your consideration. I would be like to interview with you and I look forward to hearing from you soon.

Sincerely,

XYZ
