

Letter to My Daughter for Asking for Forgiveness

Dear Oro,

I owe you a huge apology for not fulfilling your wishes. I have always loved you and have made you my first priority. But from last few days, I was not talking to you properly because of my own issues and got mad over you. I was suffering from high fever and I didn't tell you about my health. Please forgive me for this. I know I made you feel bad by my words and hurt you even though you were always there for me whenever I needed you. I am not a good mother still you love me much more than I deserve. I promise I will take care of my health. Please do not get angry over it and talk to me properly. Waiting for you, please come early.

Love you a lot dear and take care of your health and studies.

Your mom,
Xyz.
