

# Apology Letter to my Daughter

Dear Annie,

Hope you are fine. How are you doing? I am sorry as I am writing to you after so long. I was busy with my meetings in the office and I couldn't find time to talk to you dear. I know you were also tensed with your exams from the last few days and also didn't give you time. That was the time you need me to be there with you to support you in your hard times. But I was not available for you, this is my entire fault. Please forgive me as I hurt you and didn't give you much time and didn't talk to you. I'm really sorry for this behavior. Please talk to me and write to me as soon as possible and give your best in the remaining exams too. I know you will do surely well as usual and do not take the stress. I am always there for you. My blessings are with you. Do well. I love you.

Your loving,  
(write your name)
