

Letter of Sympathy for Sick Friend

From,

Tommy M Berwick
4877 Platinum Drive,
Louisiana, USA.

Date: 26 July 2020

To,

Betty D Davis,
2512 Lamberts Branch Road,
Florida

Dear Betty,

I found out recently that you are hospitalized for a severe infection. I have delayed writing until I knew you were feeling better. I am praying for you, and I am sure you will be well and healthy after this is all over.

I will visit you as soon as I can, and meanwhile, I wish you a speedy recovery. Relax and eat well, and feel free to call me if you need anything.

Yours lovingly

Tommy
