Illinois

Date: 24 July 2020

To,

Eric B Orbison,  
510 Rainbow Road  
Arizona

Dear Eric,

I hope this letter will find you in good spirits. I found out recently that you are hospitalized for a severe infection. I am praying for you, and I am sure you will be well and healthy after this is all over.

I will visit you as soon as I can, and meanwhile, I wish you a speedy recovery. Relax and eat well, and feel free to call me if you need anything.

Yours lovingly

Terry
