Dear Anthony,

I am saddened to hear about your mother. I remember all the times that I've met her, and I know how wonderful and supportive she was to you.

I remember how much she used to love us, take care of us, and be there for all of us. Your mom was a beautiful person inside and out, and everyone admired her. I will always remember her in my heart. I know that losing a parent is heartbreaking but allow yourself to grieve. You must remember that she is happy for you and proud of you.

Please know that I am always here for you and if you ever need something, just let me know. God bless you!

Praying for you,
John M Coulter
