Dear Sir/Madam,

I live in apartment no:345 in Hill view colony. Despite many reminders, my neighbors continue to create disturbance and nuisance in the corridor. They play loud music and stay awake till late at night. They also stand in the corridor and shout unnecessarily. This creates a lot of problems for my daughter to study and concentrate on her classes.

I request you to instruct them to live peacefully. I hope that you will get this problem resolved as soon as possible.

Thanking you,

Elle
