Dear -----,

As a passionate artist with ----- years (years of experience) and film acting experience, I was thrilled to see you are looking for the upcoming ----- production (movie name). I am especially interested in the supporting role of the ----- (role name) as my recent work includes a guest-starring gig in the ----- (movie name), directed by ----- (Director name). The role required intense training in basic ----- (describe the nature of the movie as per your role).

I realize that in your productions, you frequently shoot in demanding sets. I think my role of the ----- proves that I am adaptable and ready to work in work in various environmental conditions. The movie required stamina and physical fitness as we shot on the ----- (mention location) during the day and at night.

Besides my film performances, I played key parts in theatrical plays, such as ----- (mention the name of the plays). I am sure, I could transfer my ability to act out a variety of emotions, my on-stage improvisation experience to your upcoming film production.

I would be happy to meet in person and present my acting skills in the audition.

Sincerely,
